

**De:** Immigration Sufferer **De:** Lisboa **para:** Government of Portugal **em:** Lisboa.

The purpose of this petition is as follows: Grant rights to Immigrants and fix the AIMA, establishing a government commission to monitor significant delays. Increase the speed of AIMA's processes, as people have been waiting for years. Expedite the process for those waiting for their fingerprints to be processed, whether it has been a year or six months, and issue cards to them as soon as possible. Crack down on lawyers and agents who exploit people by charging exorbitant fees, taking advantage of their vulnerability! Implement separate procedures, timeframes, and tax regulations for legal and illegal immigration cases. This will benefit the government and ensure individuals receive their cards without unnecessary suffering or court battles,...
